Personal Portfolio

Carrer Objectives:

To leverage my expertise in software development to create safe, efficient, and user-friendly software solutions. I am dedicated to continuous learning and improvement, aiming to deliver software that not only meets but exceeds industry standards and effectively addresses the complex challenges faced by end-users and businesses.

Personal Qualities

➢ Intuitive and curious by nature.
➢ I'm very good at listening and giving people space to express and share their ideas.
➢ Able to perform under pressure and meet deadlines.
➢ Keen and observant person, pay attention to detail and able to notice changes and ensure accuracy in work being performed.
➢ I am very willing to learn and expose myself to new opportunities.
➢ Flexible to accommodate new challenges and adapt to new changes and requirements.
➢ I'm a very time based and organized person.

Achievements

➢ Graduated with excellence from Luthayi High School, achieving one of the highest distinctions in my class.
➢ I am currently pursuing a Diploma in Information and Communication Technology at Mangosuthu University of Technology, maintaining a strong academic record.
➢ Actively seeking to make a significant contribution to the technology industry through innovative problem-solving and continuous professional development.

Professional Experience

Junior Developer:

The API House (Pty) Ltd: August 01, 2024 – July 31, 2025

➢ Designed and developed software solutions to meet client requirements
➢ Collaborated with a cross-functional team to ensure seamless project delivery.
➢ Enhanced application performance and usability by optimizing code and implementing updates.
➢ Conducted testing and debugging to ensure software reliability.
➢ Assisted in developing web applications, writing clean and maintainable code.

Projects

➢ **The API House Website:** Contributed to the development of a modern and user-friendly business website for API House. Focused on implementing responsive design, optimizing performance, and ensuring seamless user experience Collaborated closely with the design and backend teams to deliver an engaging and efficient online platform for the business.
➢ **PolicyPal App:** Played a key role in the development of PolicyPal, a comprehensive insurance management mobile app designed to streamline policy management. The app simplifies health, pet, legal, and travel insurance by providing features like secure messaging, virtual card access, and easy

claims filing, all within a sleek and intuitive interface. Currently being enhanced to support automotive insurance. Utilized [FlutterFlow, Firebase, Firestore, MySQL, PHP] to create a feature-rich and reliable application.

➢ **PolicyPal Website:** Contributed to the development of the official PolicyPal website, focusing on creating a polished and functional online presence for the brand. Ensured cross-browser compatibility, responsive design, and streamlined navigation. Collaborated on integrating backend systems and optimizing performance. Delivered a visually appealing and engaging platform for users to learn about and interact with PolicyPal's services.

➢ **PolicyPal Admin Dashboard:** Led the development of the PolicyPal admin dashboard, a powerful tool for internal management and monitoring. Designed and implemented features that enable administrators to manage policies, user accounts, claims, and system settings efficiently. Prioritized usability and data security while incorporating real-time analytics and reporting capabilities. Built using [HTML5, CSS, JavaScript, AJAX, Firebase, MySQL, and PHP for backend], ensuring a robust and scalable system for administrative control.

Education

➢ Chief Luthayi High School   2015 - 2019
➢ HIGHEST GRADE PASSED   Grade 12 (Metric)
➢ SUBJECTS PASSED
- IsiZulu (Home Language)
- English (First Additional Language)
- Mathematical Literacy
- Geography
- Tourism
- Life Orientation
- Life Sciences

➢ Diploma in Information and Communication Technology MUT (Mangosuthu University of Technology). 2022 – 2024.
➢ I graduated with Cum'Laude.

Certificates

➢ Certificate of Outstanding Achievement - Chief Luthayi High School.
➢ Object-Oriented Programming in Java – Coursera.
➢ Introduction to Java Programming – SoloLearn.
➢ Introduction to Python – SoloLearn.
➢ Introduction to Python – Saylor Academy.
➢ Introduction to Modern Database Systems – Saylor Academy.

Skills

Soft Skills.

• Creative Problem Solving • Active Listener • Team Player • Mentoring • Innovation • Time Management

• Dependability • Flexibility • Patience

Technica Skills.

• Computer Literacy • Microsoft Office Suite • Java • C#
• SQL Server • API Dog • Insomnia • MySQL • Python
• PHP • Full Stack Development •Git • React
• FlutterFlow •Tailwind

Interpersonal Skills

• Verbal Communication • Observant and Social Perceptivity • Detail Oriented • Diplomacy • Collaboration • Supportiveness

•Interpersonal Sensitivity

Personal Attributes.

• Ethical & just. • Curious and Hard-Work Driven • Resiliency

•Adaptive • Creative • Integrity • Self-Motivated

• Committed and dedicated
